The Cleveland Ski Club is a private organization owned and maintained by and for its membership. It does not maintain the ski slopes for the public. The purchaser and user(s) of this membership assumes and understands that skiing is a hazardous sport, that bare spots, variations in snow, ice, bumps, mogulus, stumps, forest growth, debris, rocks and many other hazards and obstacles exist within the ski area. In skiing at Big Creek Ski Area, such dangers are recognized and accepted whether they are marked or unmarked. The skier relizes that falls and collisions do occur and injuries may result, and therefore assumes the burden of skiing under control at all times.

I accept the risk of injury and damage to myself and my property.
